

Monday 27th March 2023

Dear Parent/Carer,

We are really excited to announce that we have arranged for a member of staff from 'History to Life' to visit school on Friday 28th April 2023 to lead a "Roman Day" for the Year 3 children which we are sure will be a fantastic learning experience!

During the Roman Day, the children will be provided with first hand opportunities to experience life as a Roman soldier.

- They will be given costumes and will act as trainee soldiers for the Roman Army.
- They will be able to handle Roman artefacts.
- A series of craft and role-play activities will be organised.

Children will work in groups and the groups will be rotated so that every child has a chance to try every activity. In experiencing these activities, the children will be developing important historical skills.

The total cost of the event for each child is £6.00 which includes a full day of activities.

Payment can be made via the School Money system. We would like all payments to be received by Friday 21st April 2023.

We really need your help with the funding of this event and hope that you will make the payment at your earliest convenience. If we do not receive funding to cover our costs, these rich experiences which are so fantastic at helping your children to learn may not be able to happen in future.

If you have any questions regarding the event, please speak to your child's class teacher.

Yours sincerely,

L. Goodinson

Mrs Goodinson

Year 3 Class Teacher
