# NEWSLETTER

ISSUE 1: 7TH NOVEMBER, 2025

## Welcome to Our New Newsletter!

I'm delighted to introduce our brand-new newsletter, launched as part of our ongoing commitment to improving communication across our school community. During Mr. Hayes' absence, I will be leading the school as Acting Headteacher and will ensure you stay informed about the many wonderful things happening here each week.

Drawing on my previous experience as a Headteacher, and working closely with Mr. Piper, Roz Dankz (our new Interim Chair of Governors), and external partners, our goal is to continue building on the many strengths highlighted in our recent Ofsted inspection. My class will continue to be taught by Mr. Hodgson, who will provide consistent teaching and support each week.

I'm aware that some families may not know me yet, so from next week I'll be on the school gate in the mornings — a great opportunity to say hello and get to know more of our school community.

As always, please don't hesitate to come and speak with me if you have any questions or concerns.

Mrs Norris

## Introducing Our New Chair of Governors

We're delighted to welcome Roz Dankz as our new Interim Chair of Governors. Roz brings a wealth of experience in education and inclusion, having worked extensively with schools, academies, local authorities, and diocesan boards. She is passionate about ensuring that all children enjoy school and reach their full potential. Roz has also served as a governor and chair in her local community and brings both professional expertise and personal insight as a parent and grandparent to two young primary-aged girls.

## School Council

Our School Council plays an important role in promoting democracy across the school. Each member has been voted for by their classmates to represent their views and ideas. This term, the council is busy creating a new student newspaper and gathering suggestions from classes about playground games to make break times even more fun for everyone!

🏆 EFL Utilita Kids Cup 2025 –  
What a Performance! 🌟🏆

Today, some of our Year 6 boys proudly represented the school at the EFL Utilita Kids Cup at Dinnington Resource Centre – and what a day it was!

In a really competitive group, the team played some fantastic football – winning 3, drawing 1, and losing 2 of their matches. Their hard work and determination paid off as they qualified for the quarter-finals on goal difference after a nail-biting final group game!

In the quarters, they faced a very strong Aston Hall side, who had won all their group fixtures. Our boys gave a brave, spirited, and hard-fought performance, but Aston narrowly edged it and went on to reach the final. We couldn't be prouder – reaching the last 8 out of 28 teams is an incredible achievement! 🌟🏆

Well done, boys – you represented our school brilliantly and did us all proud! 🌟🏆
